Learn More to Save More

Did you know that the TakeChargeVA Programs from Appalachian Power offer your **business** multiple ways to save energy and money when you purchase energy efficient equipment?

You can get incentives for energy efficient equipment for your business! Our program includes:

Business Energy Solution Program (BES)

Lower operating costs within your business while increasing safety and comfort among employees and customers.

Custom Commercial and Industrial (C&I)

An opportunity to think of a unique energy saving project that saves power and can earn incentives.

Small Business Direct Install Program (SBDI)

Make simple energy saving upgrades with the help of a professional at no cost with a Quick Energy Checkup (QEC).

VIRGINIA

Learn More to Save More

Did you know the Home Performance Program offers you easy ways to save energy and money in your **home**?

You can get incentives for energy efficient measures in your home from insulation, air sealing, refrigeration, and more!

SCAN to schedule HEA

Home Energy Advisors

Receive a Home Energy Assessment (HEA) at no cost that will inform you about energy saving tips and ways to earn incentives.

Qualified Contractors

Use the HEA to select energy saving measures, then choose from qualified contractors in our network to do energy saving upgrades.

Earn Rebates

Receive incentives on the new installation of energy saving measures within your home.
