

Upgrade Your Home and Save

with Appalachian Power's Home Performance Program

Appalachian Power's Home Performance Program offers incentives for you to make energy efficiency upgrades and save money. A member of our Quality Contractor Network (QCN) will visit your home, install energy savings measures and provide a home assessment report for FREE. The report will detail energy savings tips and additional measures for your consideration to save more—both money and energy! The additional measures are eligible for rebates through our Home Performance Program.

AM I ELIGIBLE?

- Virginia single-family homes served by Appalachian Power are eligible for the Home Performance Program.
- Your home must be heated by electricity to qualify for certain measures and rebates.
- Improvements must be made by an approved QCN, who will submit rebates on your behalf. Visit [TakeChargeVA.com/find-a-contractor](https://www.takechargeva.com/find-a-contractor) to see approved contractors in your area.

COMMON ENERGY-EFFICIENT EQUIPMENT UPGRADES

Lighting

LED replacements for fluorescent lamps can pay for themselves in energy savings within a year.

HVAC

Replace inefficient HVAC systems because heating and cooling costs can account for as much as 65% of your home's energy use.

Hot Water

An energy-efficient water heater can help reduce your monthly electricity bills.

Insulation

By adding proper insulation to your home, you can save money on both heating and cooling.

Upgrade and Save Money

with Appalachian Power's Home Performance Program

HOW IT WORKS

1. Sign up for a home energy assessment.

Sign up online or give us a call: **TakeChargeVA.com** OR **833.402.2221** and schedule a time for an assessment.

2. QCN advisor evaluation.

Our QCN advisor will find a time to visit your home.

3. Home Energy Report.

A QCN advisor will review the home energy report with you and you will receive a copy of the report.

4. Additional savings opportunities.

Review additional savings opportunities with the QCN advisor and plan additional energy efficiency projects through the Home Performance.

Start saving big today!

Apply online at **TakeChargeVA.com** or contact a program representative at **833-402-2221** or **TakeChargeSavings@trccompanies.com**.
