Small Business Direct Install Program (SBDI)

Appalachian Power offers cash incentives up to \$25,000 for energy efficiency improvements that can also help your small business grow. You can boost your bottom line by getting a no-cost Quick Energy Checkup (QEC). You can also get energy efficiency upgrades and incentives for larger projects that improve your space.

Incentives are available for various projects, including: **lighting, pre-rinse spray valves, pipe insulation,** and **kitchen equipment.**
