

TIME IS RUNNING OUT!

**DON'T LET 2024
INCENTIVES
DISAPPEAR**

Submit projects now!

Submit projects before 2024 incentives and bonuses expire!

Thank you for getting the process started with our business energy-saving programs—**now is the time to complete your customer's projects.** Our limited-time bonus incentives are for electric and gas projects completed no later than December 31, 2024, *or until funds are exhausted.*

Applications submitted* **October 1 – December 31, 2024** may be eligible for the following bonus incentives:

Gas Bonus Incentives:

- **A 20% bonus incentive** on space heating boiler tune-ups
(Prescriptive/SBDI)

Electric Bonus Incentives:

- **A 20% bonus incentive** on all new measures
(Prescriptive/Custom/SBDI)

- **Increased incentives** on 4' tube lighting, *plus 20% bonus incentive (Prescriptive/SBDI)*
- **A 40% bonus incentive** on new refrigeration measures**
(Prescriptive/SBDI)

**Applications submitted January 1, 2024 – September 30, 2024 are no longer eligible for a bonus. Projects completed and submitted after December 31, 2024 will be subject to 2025 incentives and requirements. All applications must be submitted within 90 days of measure installation.*

***Please note that refrigeration measures are not eligible for the additional 20% bonus.*

Questions of need help?

We are always ready to help if you have any questions about a project that you may be contemplating or need assistance filling out an application. Give a program representative a call at 1-800-299-2501 or [contact a TRC Field Engineer](#) near you.

NIPSCO's energy efficiency programs are administered by TRC, a third party implementation specialist that helps homes and businesses save energy.
