TVA EnergyRight® and are excited to announce incentives that can improve productivity and performance within the distribution and warehousing industry while lowering energy costs.

[Questions? Contact us.](#)

## What a bright idea.

Our indoor and outdoor [LED lighting incentives](#) can dramatically lower costs, boost productivity and improve plant safety.<sup>1</sup> Making the switch to LED lighting makes more sense than ever with our incentives:

- \$0.08/kWh for indoor lighting.
- \$0.04/kWh for exterior and street lighting.

## Questions?

Click on the link below and submit your contact information. We'll be in touch soon.

## Lift profits and lower emissions with electric forklifts.

Expand your existing electric forklift fleet or switch from gas forklifts to electric with our [electric forklift incentive](#) offering. Save up to \$2,000 on new or refurbished forklifts or save up to \$1,000 when leasing an electric forklift.

---

**Big flexibility for big energy efficiency projects.**

Our [custom incentives](#) offer the region's growing warehousing and distribution industry the flexibility to make energy improvements that are unique to your specific facilities and operations. Incentives for electric technologies are offered at a rate of up to \$0.10 per annual kWh saved.

## Truth in numbers.

A Memphis distribution facility stores up savings with LED lighting incentives.

Energy savings:  
**1,949,659 kWh**

Project incentive:  
**\$77,986**

Annual savings:  
**\$195,000**

Simple payback:  
**1.48 years**

## But wait, there's more!

We're on a mission to serve you. Did you know that TVA EnergyRight and your local power company offer specialized energy efficiency programs that can help industrial customers save even more on energy costs?

Visit [EnergyRight.com](https://www.energyright.com) to explore all of our incentive offerings or click on the links below to learn more.

### Demand Response

Sign up for an Interruptible Power program and suspend a portion of your facility's energy load (with up to 30 minutes' notice) to help **balance** the grid and receive a **credit** on your power bill.
