

Become the talk of the town with co-branded social media posts from TVA EnergyRight®.

The June social media post templates are now available to members of our Preferred Partners Network (PPN) for co-branding.

With pre-approved text and graphics, social media templates from TVA EnergyRight® for Business & Industry provide our members a simpler way to share co-branded social media posts.

If your company is interested in utilizing any of the templates below, please send your company's logo to MTaylor@trccompanies.com so we can provide the co-branded TVA image and a copy of the suggested text for the social media post.

June 2024 Social Media Post Templates

"Reduce Operating Expenses"

Energy Efficient Experts LLC
3h · 🌐

Looking to reduce operating expenses? Energy efficiency is a smart investment. Freeing up cash can enable your company to fund other critical business needs – like employee perks.

As a member of TVA’s Preferred Partners Network, we can help you access incentives from our partners at [TVA EnergyRight](#) to save even more.

Contact us to discuss incentives and your savings opportunities.

Energy savings equals more money for the important stuff, like employee perks.

"World Refrigeration Day"

Energy Efficient Experts LLC
3h · 🌐

This World Refrigeration Day, stay chill with refrigeration incentives from [TVA EnergyRight!](#)

Upgrading your refrigeration systems can reduce your energy consumption and food waste, lower maintenance and energy costs and minimize downtime.

As a member of TVA's Preferred Partner Network, we can help you make the upgrades you need to keep cool this summer.

Contact us or learn more at [EnergyRight.com/refrigeration](#).

Stay chill with refrigeration incentives!
