

# Now Available on the PPN Microsite

Step-By-Step guides for the PPEC tool and online Incentive Application.

After listening to feedback from our members of the Preferred Partners Network, we have created step-by-step guides for the Preferred Partners Energy Calculator (PPEC) tool and the online Incentive Application.

These guides are designed to help you get quickly up to speed on how to submit incentive applications or build out lighting projects in the PPEC tool with ease.

## Accessing the PPEC & incentive application guides.

To access our new how-to guides, login to your PPN dashboard by clicking the link below and then click on the "Program Materials" tab at the top of the website.

[PPN Dashboard](#)

Once you are on the "Program Materials" page, the how-to guides are located in the "Resources & Information" section pictured below.
