

Fast Track Lighting

What's eligible?

TVA EnergyRight® for Business & Industry is offering an incentive of **\$4.00** per 4 ft linear T8 LED tube.

How is Fast Track Lighting different than Standard Lighting incentives?

- No pre-approval required – ideal for projects with short deadlines.
- No PPEC or detailed energy calculations required.
- Only for 4 ft linear T8 LED tubes, if project involves multiple fixture types, apply for standard lighting incentive.
- Apply up to 6 months after installation.

Requirements for Eligibility

- **\$4.00** per 4 ft linear T8 LED tube.
- Incentive available for 4 ft linear T8 LED tubes only.
- Type A, B and C LED tubes are eligible.
- If your project involves multiple types of LED fixtures, your Preferred Partners Network (PPN) member can go through our standard lighting program: <https://energyright.com/business-industry/incentives/led-lights/>.
- No qualified product list requirement. (DLC, ENERGY STAR, LDL)
- Equipment must be installed prior to submitting incentive application.
- Incentive applications can be submitted up to 6 months after dated invoice or final install date.

Rules & Guidelines

- Pre-approval is NOT required.
- Projects may receive a post inspection.
- Submit complete lists of spec sheets and invoices.
- Incentives are limited at 70% of material cost.
- Project incentive must be \$150 or greater.
- Applications must be submitted by a PPN member OR encourage your contractor to become a PPN member: <https://energyright.com/business-industry/become-a-member/>.
- Additional program rules apply. For more information, please visit: <https://energyright.com/business-industry/incentives/applying-for-incentives/>.
