Get Cash Back on EV Chargers

Transitioning to an electric vehicle is more rewarding than ever with **Appalachian Power's Go Electric Program!**

Designed for residential and small commercial customers in West Virginia, this initiative offers a \$300 rebate per unit for the purchase of Level 2 Portable EV chargers.

Benefits of Level 2 Chargers - Charging your EV at home with a Level 2 Charger is faster and more efficient, adding between 12 and 60 miles of range per hour of charging.
