

Earn More Before 12/31!

Act Now! Extra Savings for a Limited Time

Appalachian Power's TakeCharge Virginia Small Business Direct Install Program* has increased incentives on select energy-saving projects for a limited time.

Now through December 31

- or until funds are exhausted - you can maximize your savings while upgrading your business with eligible measures such as exterior lighting, lighting controls and smart thermostats.

TakeChargeVA.com | TakeChargeSavings@trccompanies.com | 833-402-2221

Don't Miss This Limited-Time Offer for Higher Incentives!

HERE'S HOW IT WORKS:

1. Submit a project application and install equipment with increased incentives.
2. Save energy and get a higher incentive – it's that easy!
